

Measuring the Gender Impact of FTF

Engendered

Measuring the Gender Impact of FTF

Gender-Focused Impact Evaluation

1. Have interventions increased

Our Project

Ethiopia

- WEAI framework was used to assess gender equality issues within the cultural context of post

Guatemala

- **Workshops organized** by Ada Rocina Chavarria (gender consultant) were conducted in Chiantla and Todos los Santos **to assess items**

· † -

Future Directions: assist
